Ministry Plans Solidify!

As I wrap up my final week in Kenya, I continue to complete my Life Coaching certification (specializing in Destiny and Discipleship), be refreshed through time spent with my parents and make arrangements for several exciting developments in Kenya for later this year! As I await final approval from YWAM for the DTS beginning in September, I look forward to all that God has in store for the next seven months! I'll share in more detail next month, but here are the highlights for TSC ministry this year!

- FEBRUARY - MARCH: Continue networking in Australia
- APRIL: Currently 5 one-day and 1 two-day conferences planned with more opportunities developing for leaders and pastors throughout the Philippines!
- MAY - AUGUST: Opportunities to minister in Kenya are endless! Currently there are several ministries TSC will be partnering with to IMPACT the churches, pastors and leaders in East Africa! Please also pray as a possible printing opportunity is evaluated making Easy Lessons Learned The Hard Way available to more than 2,000 African leaders this year alone!!

Please continue to partner with me in prayer as I continue seeking God's will for this year! Thank you for your support and prayers; they're both necessary and greatly appreciated! I look forward to sharing more with you next month! Until then...

Some people argue that 'people need to make their own mistakes', but who has time to make all the mistakes themselves? Wouldn't you rather be enjoying life? That's what this book will help you do.
